“Hello fellow members. I am Esther Sanchez-Banda, seeking your support for Area K Director. My experience come with fourteen years as a chapter member, six years as an E-board member, four years as a Chief Negotiator, four years as a Chief Negotiator, four years as a Chief Job Steward and one year as a Regional Representative.

Why am I seeking office?

To provide strong leadership to our members within our area. Collaborate and network with other directors to strengthen relationships. Assist and create team building events within chapters that enhances their skills by assisting and working with other directors in providing training where necessary.

I have assisted a local chapter with their voting process while their chapter was in turmoil. Also spoke to their board to secure a fair salary increase.

As your Area K Director, I will seek equality, transparency and most importantly unity for all members of CSEA.”
