

CSEA Alpine Chapter 607 Contract Negotiations Survey Information

CSEA Alpine Chapter 607 contract will expire June 30, 2020. CSEA will need to provide the District which articles we intend to propose. CSEA and the District will “sunshine” proposals before contract negotiations can commence. First, CSEA needs to survey the membership. Please see attached survey for the Alpine Chapter 607 members to complete.

How will your negotiating team work?

Once all surveys are returned; from your surveys and input, the CSEA negotiating team will put together a list of items you want us to negotiate. This list is known as CSEA’s “Initial Proposals”.

We will put these proposals into contract language and present them to the membership for review and vote. Only CSEA members may vote. Copies of the Initial Proposals will be available to the membership prior to voting.

Please fill out the survey attached to this letter by March 20, 2020.

This is your UNION; Stay Involved and Informed.
